Unto All Recipients of this Letter

Dear Sir/Madam

RE: FUNDING SUPPORT LETTER FOR TAG'S MINISTRY IN UGANDA.

Praise God from whom all blessings flow!

Church of Uganda is Partnering with Targeted Aquaponic Growth (TAG) to provide a sustainable solution to feeding the many Ugandan children that are mal-nourished. I pray you and/or your organization sincerely consider joining our vision to help provide for these children living in some of the hardest places.

As Archbishop of the Church of Uganda, I lead the largest Christian denomination in Uganda with over 13 000,000 members. Church of Uganda's top ranked Institutions of higher learning in the country Uganda Christian University will provide its partnership to this project through training, knowledge and labor. Additionally, it is our goal that the University will collaborate with other Universities from around the world and eventually become a training base for Ugandans in modern farming including aquaponics fish, exotic fruits and vegetable production.

TAG, is a US 501c3 entity with the sole purpose of providing a sustainable solution to meet the food security needs of children. TAG has been involved with Aquaponic research and sustainable fish farming for almost a decade with its research greenhouse located in Keller, Texas on the Christ's Haven for Children campus, which I have personally visited. TAG's Director and my friend is Damon Arthur.

Mr. Damon and I have spent many hours discussing, planning and walking the 30 acres of land on Lake Victoria of which the Church of Uganda is dedicating 10 acres to this project. Arthur has my highest endorsement and support in his efforts to raise funds necessary to develop and build TAG's Food Production and Training Center in Katosi, Uganda.

Our Lord reminds us thus: "For I was hungry, and you fed me. ... I tell you the truth, when you did it to one of the least of these my brothers and sisters; you were doing it to me!" (Matthew 25:35-40). So, please prayerfully consider this call to ~~help~~ help God's children in need.

Yours,

The Most Rev Dr Stephen Samuel Kazimba
